About the Property

Located in the heart of Cape May Point, 403 W. Central Avenue sits in one of the borough's most convenient positions with Lake Lilly at one end of the block and the Circle Pavilion at the other. Every beach in Cape May Point is within easy reach, from Cape May Point State Park to the shores along Alexander Avenue. At 2,861 square feet, this 5-bedroom, 3 full and 1 half bath home benefits from a nearly 50% oversized lot delivering over 700 additional square feet of living area compared to the standard 50x100 lots throughout the borough, along with an exceptionally deep rear yard. The exterior will feature low-maintenance materials, a covered front porch, a screened-in rear deck, an outdoor shower, and parking for two vehicles. The open great room anchors the first floor, with a livi ...
