About the Property

Welcome to a truly exceptional bayfront residence at 5 Delaware Ave., where panoramic Delaware Bay views and never-ending sunsets define everyday living. Thoughtfully redesigned and expanded from its original cottage roots, this custom 6-bedroom, 3-bath home now offers @ 4,000 sqft of refined coastal luxury crafted for those who cherish serenity, space, and the beauty of the water. Inside, the home opens to an impressive 28' x 38' great room, where the front section rises with dramatic cathedral ceilings and expansive windows that capture the bay in full panorama. As the room transitions beneath the second floor, the ceiling shifts to a comfortable standard height, creating a warm, intimate space that flows effortlessly toward the water views. This striking architectural blend pairs a br ...
