About the Property

Custom-built 3-bedroom, 2.5-bath home offering over 3,000 sq ft of well-designed living space in a highly desirable cul-de-sac location. This residence blends comfort, functionality, and standout outdoor living, all surrounded by lush greenery and exceptional privacy. Inside, you ll find an oversized living room anchored by a Gas-burning fireplace, along with a huge all-seasons sunroom that fills the home with natural light throughout the year. The Kitchen is the center of this massive sprawling main floor. Dining room flows right through to yet another, additional sitting area. Separate Laundry room offering added convenience and functionality. The primary suite is impressively large, featuring an additional sitting area. With an electric Built-in fireplace. A most unique attic access f ...
