About the Property

Fantastic roof over unit located in the rear of the park with no one behind you! This unit has been lovingly maintained for years. The roof over which is highly desirable was done 7 years ago so no worries on any future leaks! The HVAC is only 10 years old with propane heat hot water heater is 3 years old. This unit has ample storage including a walk-in closet and two sheds outback. The primary bedroom has built ins with a king size bed. the 2nd bedroom is in the rear of the Florida room where the sellers have added a partial wall, the new buyer could easily enclose this to make it a private 2nd bedroom. The rear yard is partially fenced in with ample parking in the front and back. Enclosed large porch on the front of the unit is perfect for relaxing with family. ...
