About the Property

Now \$1.449M A Compelling Alternative to Condo and Townhome Living in Avalon! This home presents a rare opportunity to own a detached single-family home offering the privacy, outdoor space, and flexibility that condos and townhomes cannot match. Thoughtfully repositioned for today's market, this home presents an attractive entry point into Avalon for buyers seeking both immediate enjoyment and long-term potential. This 3-bedroom, 2-bath elevated cottage features a bright, open living area and a generously sized private yard, both ideal for entertaining, relaxing, dining, or future enhancements. Located near the bay and recently updated public piers, the home sits within a well-established neighborhood known for its charm and accessibility. Ample on- and off-street parking adds to the ...
