$350,000

About the Property

This Cherry Hill home is nestled on a quiet street and is ready for its new owner! Centrally located within one of the areas most desirable neighborhoods, its large lawn allows for additions, improvements and entertaining friends and family. It's three spacious bedrooms and one full bathroom, plus an additional room that would be a perfect playroom or office space gives ample space to grow and create your own stylish space! This well-maintained home has solid bones and offers plenty of opportunity to make it your own. We can envision you in this ultimate backyard oasis with family, little ones as well as your furry friends! Don't wait, call today!
