About the Property

OWN THE SLIP. Eliminate the Uncertainty. — $55,000 There's a particular kind of stress that comes with renting a slip every season — the waitlists, the phone calls in February, the not-knowing until you know. This 36' x 17.5' deep-water slip at SEAVIEW HARBOR MARINA lets you opt out of all of it, permanently. At 17.5' wide, this is a genuine wide-beam berth — the kind that's disappeared from most marinas as boats have gotten bigger and slips haven't. If your vessel has outgrown the standard slip, this is the fix. And because you'd own it outright, there's no lease to renew, no priority list to climb, no uncertainty about where your boat sits next June. What comes with it: Water and electric hookups TWO FLOATING JET SKI RAMPS A BRAND-NEW 2025 DOCK BOX Full access to the MARINA POO ...
