About the Property

Charming Efficiency by the Shore. Discover this beach retreat in the heart of highly desirable North Wildwood. This cozy first-floor efficiency condo is designed for easy living and effortless getaways. Featuring low-maintenance tile flooring, a convenient Murphy bed, and a full three-piece bath with tub shower combo, it offers just the right blend of comfort and simplicity. Step through the sliding glass doors to your patio ideal for enjoying morning coffee or relaxing after a day on the sand. Residents enjoy a range of desirable amenities including a private pool, pickle-ball courts, and a well-maintained seawall. The setting also offers attractive water views, enhancing both the lifestyle and overall appeal of the property. These features, combined with the unit's efficiency and loc ...
