About the Property

A unique upside-down style townhouse which is located just one and a half blocks to the beach. This home offers three bedrooms, three and a half baths and is also within walking distance to the North Wildwood Entertainment District, free beaches and the Sea Wall. Many upgrades grace this residence, including bamboo floors throughout, custom glass and tile shower in the primary bathroom, and much more. Looking to entertain The entire top floor is sure to please, with an oversized living room, inclusive of surround sound, gas fireplace, and vaulted ceiling, plus the spacious gourmet kitchen dining area. Two private decks offering ocean views & ample space - one off of the living room & another off of the primary suite - will add to your experience too. For the discriminating buyer, this tow ...
