About the Property

This historic piece of property is perfect if you are looking for an exceptional home! The "Elijah Townsend House" built in 1775 with a new addition completed in 1845! You would never know it once you stepped inside this spacious property. Situated on 1.02 Acres features 3 bedrooms, 1.5 baths, a walk-up attic, beautiful, equipped kitchen, dining room, living room, and enclosed porch! This property exudes history once you walk in yet has the feel of a modern home. A cooking fireplace is a feature as well as exposed finished joist above with finished chamfers and a decorative mantel. The roof and well are both new (2009). The original cedar siding finished with "square-head nails" surround the exterior. A carport to protect your vehicle is a nice touch as well as numerous outside storage she ...
