About the Property

This premier corner beachfront property offers sweeping beach and white-water ocean views. The uniquely low dune topography behind the 23rd Street section of the boardwalk allows for some of the finest oceanfront sightlines in Avalon an increasingly rare feature as dune elevations continue to rise. Centrally located just two cross streets from the heart of town, this property provides effortless access to Avalon's entertainment, restaurants, shopping, and nightlife. The existing home, designed by OSK Architects, features an upside-down layout with five bedrooms and three-and-a-half baths. The first floor welcomes you with a spacious, sunlit foyer, three bedrooms, a hall bath, and a laundry room. Upstairs, a dramatic vaulted great room framed by expansive windows opens to an oversized s
