About the Property

Opportunity awaits just blocks from the beautiful beaches of Wildwood Crest! This spacious single-family home at 106 W. Syracuse Avenue offers flexible living with two levels perfect for extended family, guests, or vacation living. The main level features a cozy living room, dining area and a fully equipped kitchen with additional seating at the counter. This level also features a primary bedroom with private bath as well as 2 additional bedrooms and full bath. The slider doors off the dining area lead to a spacious front deck. The lower level includes two additional bedrooms, one full bathroom, and a living room, creating a great private area for guests or additional living space. It also has an oversized 2 car garage with additional driveway parking, tons of storage space under the int ...
