About the Property

This meticulously maintained 4 bedroom, 2.5 bath rancher spans over 2,200 sqft on a quiet cul-de-sac in a desirable Upper Township neighborhood. This home features a spacious, functional layout with generously sized rooms throughout, including a large primary bedroom with cathedral ceilings and attached private bath, while the additional bedrooms share a full hall bath. The kitchen includes a center island, stainless steel appliances, and doors that open directly to the back deck for effortless outdoor dining and entertaining. Just off the kitchen, a den provides a cozy space for relaxing, while a separate expansive family room with a wet bar is the perfect spot for gatherings or unwinding by the fireplace. The back deck overlooks a large backyard with endless possibilities for enjoyment ...
