About the Property

SELLER HAS ACCEPTED AN OFFER AND IS NOT ENTERTAINING ANY FURTHER SHOWINGS. Great opportunity to purchase a (2) Bedroom (1) bath home, sitting on a 30x100 foot lot in the beautiful City of Wildwood. A (2) block walk to the Bay and (3) block walk to downtown Pacific Ave makes it the ideal location to reside. Although it's in need of a little TLC, there is so much potential and is priced accordingly. The property is being sold strictly "as is" and the seller does not intend on making any repairs.
