About the Property

This beautifully maintained 2-bedroom, 2.5-bath townhouse offers an ideal combination of comfort, style, and everyday practicality. One of only six residences in the desirable Quinn's Court community, the home is perfectly situated within walking distance to town and just a short bike ride to the beach. Originally constructed in 2004 by WKR Construction Company, it continues to reflect quality craftsmanship and thoughtful attention to detail. The main living level showcases a bright, open layout featuring a well-appointed kitchen with quartz countertops, stainless steel appliances, a gas range, and attractive slate flooring.
