About the Property

Exquisitely crafted 4BR 3.5BA home situated on a prime corner lot in the highly desirable West Cape May area. Built just three years ago, this stunning residence seamlessly blends modern luxury with thoughtful architectural design by Christina Amey. The open-concept floor plan is enhanced by inviting indoor and outdoor living spaces, including a charming screened front porch and a beautifully designed rear paver patio perfect for relaxing or entertaining. The first level features a sophisticated modern kitchen with a spacious island offering ample bar seating, a formal living room with a cozy gas fireplace, a dedicated dining area, and a convenient powder room. On the second level, you'll find two well-appointed guest bedrooms and a hall bath complete with an oversized soaking tub and ...
