About the Property

Charming and well maintained, this 3 bedroom 2-bath ranch offers comfortable living on a spacious lot with updates such as new hot water heater, newer roof, newer bedroom windows. Inside you'll find fresh paint, low maintenance flooring, abundant natural light, and a full basement for added versatility. The exterior highlights and expanded 1 car attached garage with tandem garage doors and access to the basement, expanded stone driveway, and capped patio area perfect for outdoor enjoyment. A standout bonus is the owned solar panel system, which the seller will pay of at closing, allowing the new owner to enjoy the savings of solar power with no loan obligation. Conveniently located with easy access to Ocean City, this property offers space, updates and excellent value. ...
