About the Property

Just steps less than 200 feet from the beach entrance, 2600 Landis is your front-row seat to stunning ocean views, serene wetlands, and breathtaking sunsets. This home is designed for coastal living at its finest, with five decks to soak in every view. The kitchen features premium Viking appliances and a spacious layout as it opens up to the living and dining areas. The third-floor private main suite is a true retreat, complete with a TV room, two decks offering even more spectacular views and a fully remodeled bathroom. The junior suite is equally impressive, boasting another newly remodeled bathroom and a private deck. With ample off-street parking, you'll have room for family and friends to join in on the fun. Have peace of mind all year-round with a natural gas generator in case ...
