## About the Property

Set on one of the island's most coveted bayfront locations, this exceptional Brandywine-built and meticulously maintained home, thoughtfully designed by Asher, offers a rare blend of luxury, comfort, and timeless coastal elegance. Tucked away in a private cul-de-sac along the tranquil waters of Bluefish Harbor in Avalon's highly sought-after Fingers neighborhood, the property boasts expansive docking. Designed to accommodate multiple boats, or a combination of a boat and jet skis. An ideal setting for the avid waterfront lifestyle. A welcoming entry leads into a spacious, light-filled first floor where an open-concept design seamlessly connects the kitchen, dining area, and bayside family room, complete with a gas fireplace. The kitchen is well-appointed with a wet bar station, perfect ...
