About the Property

The Pool is ready. The Location is Prime! The rest Just waiting for Your Personal Touches. Why buy someone else's vision when you can finish your own Bring your vision to life just minutes from the shore, in one of the areas most sought after townships. This rare opportunity invites you to finish a dream already in motion. Positioned on a quiet cul-de-sac this new construction offers the perfect canvas for a custom masterpiece. The home is framed for four bedrooms, three full baths with two additional flexible spaces ideal for a home office, gym or guest quarters. Spacious two car garage with plenty of storage space. Plumbing and electric already roughed in. Sitting on over half an acre, the property already features an in-ground pool ready to become your private backyard retreat. For ...
