About the Property

Welcome to this charming Millman cottage. Featuring 2 bedrooms, 1 bath and a large sunroom. Situated on an oversize lot with a detached guest house!! This bonus structure adds tremendous value allowing additional space to host family and friends or potential rental income to offset the mortgage. Only 2 blocks to the beach along the bay for spectacular sunsets, fishing or beach walks. This is a fantastic opportunity for investors or those looking for a vacation home or a year round home. Located on one of the best streets in this sleepy seaside town and so close to all Cape May has to offer.
