About the Property

Winfield Developers proudly introduce a stunning new single-family residence in Avalon s coveted Fingers neighborhood. Situated on a generous 10,694 sq. ft. reverse-pie-shaped lot with 90' of street frontage and 40' of bay frontage, this property offers exceptional curb appeal and a design that blends timeless architecture with modern luxury on one of Avalon's most desired lagoons. Spanning three levels, this 6-bedroom home, with interiors thoughtfully designed by Ford Design Studio, features multiple ensuite baths and versatile living areas designed for both entertaining and relaxation. The open-concept great room flows seamlessly into a sunlit dining area and a chef s kitchen with premium appliances, an oversized island, and a walk-in pantry. Expansive windows, soaring ceilings, an ...
