About the Property

Investor Opportunity Just Minutes from the Beach! Located just 6 blocks from the beach and ideally situated between the Wildwoods and Cape May, this 3-bedroom, 1-bath home offers incredible potential in shore location. This property is in need of a full renovation and is best suited for experienced investors or buyers ready to take on a substantial project. With the right vision, there is strong opportunity to build equity and create a customized coastal retreat or income-producing property. An enhanced listing photo has been included to help illustrate the potential of the home. Buyers are encouraged to perform their own due diligence and bring their imagination to life. Serious inquiries only. Property is being sold strictly as-is and is subject to third-party approval. ...
