About the Property

Experience the pinnacle of waterfront living in this stunning, custom-built, three-story residence situated on a double wide lot, directly on Tuckerton Creek. Combining architectural elegance with functional design, this 4-bedroom, 3-full-bath home offers unparalleled views and a sophisticated lifestyle. The Ground Level & Potential In-Law Suite The journey begins in a welcoming first-floor foyer, providing seamless access to a spacious two-car garage and a substantial parking area that spans the full dimensions of the home. This level also features an oversized bedroom, complete with a full bathroom and sliding glass doors that open to a secluded deck. This large bedroom is pre wired and plumbed to be easily converted into an in-law suite, perfect for guests or multi-generational living, ...
