About the Property

Rare opportunity in Fishing Creek! This unique 3-bedroom, 2-bathroom unit offers the ease of condo living with the privacy of a single-family estate, situated on over 2 sprawling acres. Part of an exclusive 2-unit association with no monthly fees (other than a minimal annual filing fee), this property provides incredible value and independence. The interior features brand-new plank flooring throughout, a coveted first-floor primary suite for ultimate convenience, and the comfort of gas heat and central air conditioning. Enjoy peace, quiet, and massive outdoor space in a one-of-a-kind setting that truly stands out from the rest. This unit is just minutes from the area's most beautiful beaches, historic Cape May and the Wildwoods!
