About the Property

This 3-level townhouse with a private garage is situated in a small four-unit association and offers all the space you need at a great price! The first level is an entryway with direct access to and from the private two-car garage. The main level features an open floor plan with a living room that leads to a private deck, full kitchen, a family room with dining area and sitting area, and a powder room. On the top level you will find the master suite with a private bath with tub and access to a second private deck, along with two additional bedrooms with a hallway bathroom, also with a tub. There is also a laundry closet on the top floor equipped with a full-size washer and dryer for your convenience. The unit is being sold furnished, including the washer and dryer. The condo association is ...
