About the Property

Located in a very convenient area, within walking distance of many amenities in town, this 2 story is neat and very well maintained. A lot of newer features especially the kitchen with quartz counters, microwave over oven, stylish tiled back splash, and separate min fridge. Roomy living room with adjacent dining room has a slider to deck for more entertainment space. Also on 1st floor is a powder room and den 4th bedroom. 2nd floor offers primary bedroom suite with bath having a double vanity sink, walk in tiled shower and double closets one being a walk-in closet. Two more bedrooms and a full bath with washer & dryer. Don't overlook the full basement with potential for many things, man cave, work out area etc. Indoor cats please don't let out! ...
