About the Property

A rare opportunity to own one of Stone Harbor's homes under \$3 million and currently the only single-family active listing in this price range just in time for the 2026 summer season. This beautifully maintained upside-down design captures picturesque bay views and delivers a spacious, light-filled layout with 4 bedrooms and 3 full baths, including two en-suite-style accommodations. The second level is thoughtfully designed for entertaining, featuring an expansive living area, kitchen, and dining space that span the full width of the home. A sliding door opens to a private deck with bay views perfect for relaxing or hosting. The primary suite is also located on this level for added privacy. The first floor offers three additional guest bedrooms and a spacious flexible living space
