About the Property

If you have dreamed about living in Stone Harbor in a home that can comfortably accommodate multiple generations under one roof, look no further. This sprawling 5,000 sq. ft. home features 8 ensuite bedrooms, 8 full bathrooms, 2 powder rooms, 3 fireplaces, 2 wet bars, and a 3-stop elevator, set on a massively oversized 90X110ft. lot. Designed by Blane Steinman and crafted by Vallese Developers, this home comes fully designer furnished. The exterior is clad in woven Maibec cedar shake with a 7 8th Alaskan yellow cedar roof. Ipe decking is accented with mahogany ceilings on all decks. Inside, guests are immediately met with a direct view of the enormous pool area through an open hallway and first floor family room. The family room is wrapped in driftwood grasscloth, painted shiplap, custom ...
