

Priced at

\$449,900

About the Property

This property is an Estate and is being sold by the Executor. Waiting for the Tax Certificate from the State should be momentarily. Home has much potential in need of some remodeling, the Kitchen has been refurbished, including the roof, and some additional rooms. Windows have been replaced within the past few years. The second floor has an outside entrance which needs repair. The second floor has been gutted, ready for your remodeling. The property has an extensive back yard which is enclosed by a fence, with a rear gate. Property is being sold by the estate in "As is" condition.
