About the Property

Don't miss this exceptionally spacious and well-maintained home featuring a bright, open floor plan, attached garage, and a prime location on a large, fenced-in corner lot. This versatile three-level home offers two expansive living areas, perfect for both relaxing and entertaining, along with an eat-in kitchen, three generously sized bedrooms, and one and a half baths, laundry and utility room. The lower level includes an additional flex space that can easily serve as a fourth bedroom, home office, gym, or playroom tailored to fit your lifestyle and it has newly installed low maintenance Laminate flooring. Step outside to enjoy the private rear yard with vinyl fencing and a large storage shed, ideal for outdoor living and extra storage. Recent updates by the current owners include a n ...
