About the Property

Discover coastal living at its finest in this beautifully renovated beach house, perfectly situated on the beachblock at the peaceful southern end of Sea Isle City. Bordering Townsends Inlet, this rare property captures the best of beach, bay, and natural surroundings. Because this section of the island is so narrow, the home offers a private-beach feel with effortless access to the sand just steps from your door. Take in breathtaking sunrise and sunset colors from one of Sea Isle s most tranquil settings. The nearby federally protected natural area provides a stunning backdrop of birds, wildlife, and untouched coastal beauty right outside your window.
