About the Property

SOUTH OF THE CANAL! Located less than 10 minutes from Cape May's award-winning beaches and exceptional dining, this impressive 1.58 Acre property offers ample room to expand the existing structure or start over with a blank canvas. The current home has been ripped down to the studs and offers a great opportunity to renovate with the existing floor plan. The current floor plan is a 2-story 1,544 sq ft. home with 3 bedrooms, 3 full bathrooms, a kitchen, family room with wood burning fireplace, a bonus room off the kitchen and a full basement that can be finished to create additional living space. Owners have approved building plans to take the house down to the existing foundation, expand the foundation footprint and build a 2 story 4-bedroom, 4.1 bathroom, 4,000 sq ft home. The property is ...
