About the Property

Located just minutes from the beautiful Delaware Bay beaches, this new construction, 3 bedroom, 2 bath home offers contemporary finishes in a functional living space perfect for year round or summer living. Step inside to a spacious living room that flows seamlessly into a custom kitchen featuring shaker-style cabinetry, quartz countertops, stainless steel appliances, and an adjoining dining room. Sliding glass doors lead to a rear Trex deck, creating the perfect space for entertaining or relaxing on warm summer evenings. Additional features include gas heat, central air conditioning, on-demand water heater, luxury vinyl plank flooring, ceiling fans throughout, a sodded yard with an irrigation system, a raised foundation with flood vents, and a two-car stone driveway. The modular home is ...
