About the Property

Located just a short walk to Cape May's beautiful beaches and the Washington Street Mall, this elevated, well-maintained home offers the perfect combination of location, comfort, and coastal living. Raised prior to Hurricane Sandy, the home provides the benefits of elevated construction and features an oversized two-car garage, additional storage, elevator access from the garage to the main living level, and a private two-car parking pad. The flexible floor plan currently offers 2 bedrooms and 2 full baths, with the potential to convert the existing office flex space back into a 3rd bedroom if desired. The spacious primary suite features a sitting office area, oversized walk-in closet, and private bath with a Jacuzzi tub and tiled finishes. The guest bedroom is generously sized and is com ...
