About the Property

Lots of potential in this spacious 1,738 sq. ft. bi-level home. The upper level features a nice size living room, eat-in-kitchen, full bath, and two bedrooms. The lower level includes two additional bedrooms, den tv room, second full bath, and utility room, providing a flexible layout for a variety of living arrangements. Outside, you'll find a large fenced backyard with two storage sheds. Solar panels with a discounted electric rate rather than a fixed monthly lease payment help keep the utilities affordable. Bring your vision and make this home your own! With its spacious layout, this property is ready for its next chapter and offers a great opportunity for buyers at an affordable price.
