About the Property

Enjoy the carefree resort lifestyle at Canyon Club, one of Cape May's premier waterfront communities. Located in the most recently constructed building (2021), this owner-occupied, gently used condominium enjoys a premium location just outside the pool area, overlooking a tranquil water feature that provides both privacy and a relaxing setting. The thoughtfully designed open floor plan features a spacious great room with engineered wood flooring, a custom-tiled gas fireplace with a mounted flat-screen television above, and an inviting dining area highlighted by a charming bay window. The beautifully appointed kitchen offers white cabinetry, stone countertops, a center island with seating for four, stainless steel appliances, a wine chiller, and a custom tile backsplash.
