About the Property

Just 6 homes removed from the beach path sits this brand new, expansive 7-bedroom custom home, designed with endless family entertainment in mind. The home is offered fully furnished, with furnishings and interior design by Proximity Interiors arriving in August. Built on a large 60X110 foot lot, just one property from Dune Drive, this location enjoys unique privacy, as the home immediately to the east has a 25 foot rear-yard setback, rather than the typical 8- or 10-foot separation between neighboring properties. Outfitted with 7 ensuite bedrooms and 9 total baths, this home spans nearly 4,500 square feet and was thoughtfully designed for entertaining. The exterior is clad in cedar shake siding with a cedar roof, mahogany decking and ceilings across all 6 decks, and a beautiful blueston ...
