About the Property

Come check out the potential that awaits for a buyer here at this adorable rancher with a detached cottage. The main house is a two bedroom and two full bath rancher with much rehabilitation and upgrading over the last 12 years. The roof, HVAC, windows, bath, kitchen are just to name a few. The lot is then last on the street before the woods. It has tons of privacy and is a 142 feet deep. There is a detached garage and a cottage with one bedroom and a half bath. The cottage is need of tlc but with some time and money the space can be utilized as an in-law suite, housing for a family member, space for guests, office, studio, workshop, dollhouse.... The occupant has a dog and all showings must take place when he is home from work and can remove the pet. ...
