About the Property

Welcome to BAYFRONT living at 2928 Ocean Drive in Avalon! This one-of-a-kind property offers BREATHTAKING sunsets, incredible wildlife, and expansive back-bay views all while being within walking distance to the beach and town. Adding to the unique setting is Borough-owned land directly to the north, providing an additional 50+ feet of open space that is next to impossible to duplicate at this price point. This BAYFRONT townhome has just undergone a complete renovation inside and out. Exterior improvements include brand-new maintenance-free Hardie plank siding, new exterior window trim, a new roof, composite decking, red brick around foundation walls, and more. Inside, you'll find all-new white oak engineered hardwood flooring, custom trim work, a stunning chef's kitchen, completely reno ...
