Priced at

\$4,495,000

About the Property

Set on the wetlands at the gateway to Stone Harbor, with no neighbors and unobstructed bay views in every direction, this is the property. Envisioned by Yellow Door Development, built by Vallese Builders, designed by Wolstenholme Associates, and interior design by Ford Design Studio this is what happens when the best in the business build without compromise. An oversized classic Nantucket cottage, over 4,280 square feet, with every modern amenity the discerning buyer expects and none of the shortcuts. The Build Step inside and the craftsmanship speaks first. Cathedral ceilings framed in white oak beams. A stone fireplace with a custom stone mantel as the room's anchor. Shiloh inset cabinetry throughout the kitchen, paired with a 48" Bertazzoni Heritage range and a full-column, panel ...
