About the Property

Cape May Estates, it is very rare to find a property for sale in this neighborhood. Live in a quiet rural horse country area between Higbee beach and the ocean. Just a bicycle ride away from the famous Washington Street Mall, and all of Historic Cape May shopping, restaurants and beaches. The home is a custom built sprawling rancher with 4 bedrooms and 3.5 baths on an acre of ground. House sets back off the newly paved Bayshore Rd. with a long blacktop driveway and a 3 car attached garage. Open concept living with nice sized rooms for entertaining. The kitchen has a nice layout with granite counters and stainless appliances with access to the back deck. The back yard is fenced in for your pets and children. The full basement has great potential with its massive size and high ceilings. ...
