About the Property

A rare opportunity to build your custom coastal retreat in one of Sea Isle City's most desirable locations, where the property enjoys beautiful views of the ocean, beach and dunes from the front while backing toward the bay. Offering the best of both seaside and bayfront living. Situated on an oversized approximately 60' x 125' homesite, this exceptional parcel provides the space and flexibility to design a truly remarkable luxury residence. Whether you envision expansive indoor and outdoor living areas, multiple decks to capture the coastal scenery, generous parking, or premium amenities, opportunities like this are increasingly rare on the island. Perfectly positioned in a prime mid-island location, you'll enjoy convenient access to Sea Isle City's beautiful beaches, bay, dining, shopping ...
