About the Property

A rare opportunity in North Wildwood with something that's becoming harder and harder to find - space! Situated on an oversized lot, this classic shore home offers an incredible amount of outdoor living space and plenty of potential to make it your own. The expansive yard is made for summer, featuring an above-ground pool, gazebo, deck with retractable awning, and plenty of room for entertaining, grilling, games, or simply relaxing after a day at the beach, plus an outdoor shower toilet room and a utility sink. Whether hosting family and friends or enjoying a quiet weekend at the Shore, there's room for everyone. Inside, the 3-bedroom, 2.5-bathroom home offers the character and charm of an older North Wildwood property with an opportunity to update and personalize over time. First floor ...
