About the Property

Build Your Dream Home at Sandcastle Estates! Less than 15 minutes from the beach, Sandcastle Estates offers the perfect setting for your new home. Home is to be built. Photos and virtual tours show the same base model with optional upgrades. The featured model, Discover our most quintessential rancher with the Weatherby! This generously sized home starts at 2,498 square feet of living space. The Weatherby includes 3 bedrooms, 2 bathrooms, 2-car garage, as well as a study! With one of our most sizable footprints, this remarkable abode gives plenty of room to spread out in this one-story home. This model also includes the option to upgrade to a larger front porch, perfect for relaxing out front with a warm cup of coffee. The Weatherby is ideal for people seeking ample space to expand and ...
