About the Property

Come check out all of the potential this property has to offer. The property offers a great location, it sits just one mile from the bay. You could take a nice walk or short bike ride and enjoy the quiet beach and incredible sunsets over the bay. The property sits on a large lot. The backyard is just waiting for all of your creative ideas, it backs woods and gives you plenty of privacy. You have plenty of off street parking with the wrap around driveway. Head inside, the upper level has a large living with hardwood floors. There is an eat-in kitchen just waiting for your fresh designs. The upper floor also contains two bedrooms with good closet space and the full bathroom. The lower level has two bedrooms, the one bedroom is fairly large and has plenty of closet space. You will also find t ...
