About the Property

Welcome to Tranquility Park! This brand-new single-family home is ideally located just minutes from Cape May and at the foot of the Cape May Bridge, offering the perfect combination of space, style, and convenience. Situated on a generous 75' x 100' lot, this thoughtfully designed home will feature 4 bedrooms, 3.5 bathrooms, and a large second-floor den that could easily serve as a 5th bedroom, home office, or additional living space. The open and spacious floor plan will be complemented by high-end finishes throughout, multi-zone heating and air conditioning, gas appliances, an attached garage, a covered front porch, and multiple decks and an in-ground pool for enjoying the coastal lifestyle. Construction is underway with completion anticipated for Spring 2027. Best of all, buyers who act ...
