About the Property

Welcome to 420 Battersea Road, a spacious single family home tucked away in the highly desirable Gardens section of Ocean City.

Offering approximately 2,330 square feet of living space, this 3 bedroom, 2.5 bath home delivers the space, functionality, and location that make owning at the shore so special.

From the moment you arrive, you ll appreciate a property designed for true coastal living. Inside, the generous floor plan provides plenty of room to gather with family and friends while still offering comfortable spaces to unwind after a day at the beach.

The home's layout lends itself beautifully to both year round living and memorable summers at the shore, with ample room for entertaining, hosting overnight guests, and enjoying everything Ocean City has to offer. One of the property's ...
