About the Property

OPEN HOUSE 10-3 11am-1pm More space, more property, and just blocks from the Delaware Bay! This single Cape Cod-style home in the desirable, sought after Cape May Villas offers 1,632 sq. ft. of living space with 3 bedrooms, a versatile loft, 1.5 baths, and an oversized detached 2-car garage with its own loft, all situated on a rarely offered double lot. Inside, you'll find a spacious formal living room, dining room and kitchen with generous cabinetry and stainless steel appliances. The flexible floor plan provides plenty of room for year-round living or a Shore getaway, while the additional loft offers space for a home office, sitting area, hobby room or additional living space. First floor huge laundry room add to convenience of full time living or vacation. Outside is where this property ...
