About the Property

Welcome to this spacious and thoughtfully updated home offering more than 2,420 square feet of comfortable living space (per owner) on a nearly half-acre lot with peaceful marsh and natural views. The property combines generous indoor living areas with valuable outdoor space, a detached two-car garage, and a finished heated and cooled office or bonus room that provides excellent flexibility for work, hobbies, guests, or additional recreation. Inside, the dramatic vaulted great room creates an impressive central gathering space, highlighted by a floor-to-ceiling stone fireplace. Two gas fireplaces add warmth and character throughout the home, while the updated kitchen provides a functional setting for everyday living and entertaining. The open-concept living areas offer a comfortable flow
